Notum sit omnibus tam futuris quam presentibus qualiter Marchio Guntherus de Hohenwarte
cum Ratispone egrotaret finemque vite imminere sibi non dubitaret, recognoscens quod dominum
abbatem Wolvoldum olim captivaverat et multa mala fratribus monasterii nostri irrogaverat,
homines suos qui secum erant Ratispone, rogavit ut eum mortuum ad locum nostrum trans-
-ferrent predium que suum hereditario iure ad se transmissum in Marchia
apud Hempsach et ecclesiam Sancti Martini cum dote sua et duas curtes apud
Hartwigesdorf iuxta eandem ecclesiam cum mancipiis, cum vineis et earum appen
-diciis cultis et incultis, ad Wenelsdorf(!) duas curtes cum mancipiis, cum vineis
et earum appendiciis, ad Hovestetten quicquid ibi habuit, tres mansus cum vi-
-neis versus Bodegor monasterio nostro tradidit. Homines eius mortuum eum
per Danubium ad Aresum transtulerunt ibique fratres nostri eum suscipientes
ad locum nostrum multo labore et impensis transportaverunt. Postquam offi-
-ciosissime apud nos tumulatus est, traditor eius nomine Trasthun
liber homo traditionem ab eo Ratispone acceptam super altare Sancti Blasii
coram multis testibus deposuit. Predium apud Hempsach episcopus Gurcensis
magis per violentiam quam per iusticiam obtinuit. Predium apud Strazganch
pater eius Piligrimus de Hohenwarte per violentiam invasit ipsumque
predium Marchioni de Styra iniusta traditione delegavit. Qui recogno-
-scens se in Sanctum Blasium et in animam filii sui peccasse, marchio-
-nem adiit eumque ut sibi traditionem ipsius predii redderet ob-
-secravit et pro hoc ipsi marchioni beneficium suum quod a Patriarcha
Aquileiensi habuerat cuius pincerna esse debuerat, dimisit. Mar-
-chio traditionem ipsius predii reddidit quam ipse Piligrimus
super reliquias Sancti Blasii in presentia pie memorie domini
Chunradi Salzburgensis archiepiscopi domno Gotefrido abbate cum
manu ipsius domini archiepiscopi eam suscipiente deposuit. Actum

Volumus etiam quod prefata Ecclesia Aquilegensis et . . . . . . et nostre maiestatis privilegio adeo munita et defensa existat, ut si forte casu aliquo [illegible] instrumenta et privilegia sua, quod Deus avertat, perderet, nihil iacture vel dampnum sustineat, sed hanc paginam loco privilegiorum et instrumentorum habeat. Nota

Questo documento è la cosa più confusa ch'io abbia trovato. Già s'intende, è copia e chi sa che ne avvenne dell'originale e come ne fosse fatto strazio dal trascrittore. Del resto qui si tratta di Corrado ribelle di Valvasone: questi fu spogliato, la roba sua almeno in parte fu

[illegible] in Carana et [illegible]

[illegible] [illegible] Signo-

[illegible] di Valvasone. Or [illegible] parla dell'eredità di Walterpertoldo e questi quasi si [illegible] da Corrado [illegible], mentre gli [illegible] Giovanni di Zucola [illegible]

ai parti [illegible] di Walterpertoldo quale signore di Spilimbergo e [illegible] quale signore [illegible] di Valvasone. Appunto per determinare l'importanza dei beni di Valvasone, si deve [illegible] per [illegible] antica [illegible] del [illegible] Corrado. Poi i copisti ne hanno fatto un [illegible]. Trovasi [illegible] [illegible] [illegible] errore materiale di [illegible], nelle [illegible] [illegible]. Se poi quando si [illegible] Walter-pertoldo si intende [illegible] non [illegible] [illegible] rispetto a Giovanni non a Corrado. [illegible]

Venendo poi al [illegible], segue a quest'atto: la copia della vendita del castello di Valv. e [illegible] dei due fratelli di Cucagna al terzo fratello Simone 1293 15 agosto. Poscia in data 1294 2 maggio [illegible] [illegible] tra i Tricano, i Pinzano ecc a proposito degli beni che Simon di Cucagna [illegible] a Corrado per [illegible] riguardo Valvasone. Seguono due note riguardanti l'[illegible] dei beni di Corrado ribelle [illegible] a Walterpertoldo di Spilimbergo e le [illegible] a Walterpertoldo, [illegible]. Da ultimo viene l'[illegible] del 1294 fra Giovanni di Zucola e il Patriarca per [illegible] Valvasone di Cucagna

Carta di sicurezza rilasciata dal comune ad Odorico e Nicolò di Spilimbergo.

Super propositis per magistrum Johannem de Spilimbergo supplicantem pro Odorico et Nicolao fratribus de Spilimbergo qui fecerunt nullam represaliam contra homines D. Episcopi Salzpurgensis ut eosdem securare dignentur ut valeant hanc Terram secure intrare et in ea domicilialiter habitare

sicut alii terrigene. Determinatum fuit quod eis fieri debeat una littera absolutionis omnium per eos contra hanc terram hactenus commissorum et quod possint libere ire et redire ad eorum libitum voluntatis; sed non valeant neque possint in ipsa Terra domicilialiter habitare neque pro vicinis haberi.

Seguendo il Manzano Annali del Friuli invece, dietro [illegible] del Dipl. [illegible] Bianchi, Indice Prof. Pirona, leggesi

Documenti storici friulani

Tre importanti documenti ancora in[illegible] conservati a Spilimbergo, comechè non abbiano relazione alcuna con la storia della Terra e de' suoi Signori, ma importanti non poco. Il primo ricercato dal Liruti, e dal Degani [illegible] non lo credo però esatto e mi pare che meritasse d'essere pubblicato integralmente. Gli altri concernono un fatto politico del tempo del B[illegible] Bertrando Patriarca; altrove gli ho riassunti, ma mi par bene stamparli per contribuire al Codice Diplomatico friulano.

Discretus vir Magister... *(sic)* de Brissia doctor in gramaticalibus per stipulationem promisit Nobili et potenti militi D. Bartholomeo predicto talis venit ad scholas videte si estis securus: que omnia promisit unus alteri firma et rata habere et tenére etc.

## *Di Venceslao di Spilimbergo al Parlamento in Udine e dell' assedio al Castello di Maniago.*

1335 —. Il patriarca d' Alanson, già per infiniti arbitrii inviso, lo divenne a più doppi per aversi fatto d' intorno una Corte composta da tutti Padovani e più ancora per avere indecorosamente permesso al

Carrara di agire quasi fosse Patriarca autorizzandolo alla nomina del maresciallo del Patriarcato in certo Michiele Rabatta uomo accorto ma intrattabile. In tale frangente si raccolse Parlamento in Udine al quale intervennero Venceslao, Preogna, e Bernardo signori di Spilimbergo, il primo dei quali, Venceslao, ch'era anche valente oratore, fattosi nella sala rispettoso silenzio, proruppe con queste memorande parole: « *non doversi soffrire che, senza diritto, il* « *signore di Padova ci governi; che se abbiamo fin* « *ora opposto ad un Principe, di titolo almeno apparente, l'introdurre nuovo governo, esservi maggior* « *ragione l'opporsi a due (l'uno dei quali, il Carrarese, affatto privo di titolo) che con onta e mi-* « *seria nostra, ci vogliono governare ad un tempo;* « *che, d'altronde, se piegati al giudizio di molti, ab-* « *biamo giurato fedeltà all'Alanson, sappiate che là* « *ha fine la fede data, ove ha principio la tirannide;* « *che è dovere seguir lo esempio di coloro che depo-* « *sero principi inetti, e che ricordare dobbiamo che* « *i nostri padri amarono meno la vita che la con-* « *servazione dei loro antichi diritti.* »

Tale discorso eccitava il più vivo entusiasmo, ed ebbe per effetto che Spilimbergo, Colloredo, Castello, Maniago, Udine, Venzone, Sacile e Marano fecero nuova colleganza col Dominio Veneto e con Antonio della Scala signore di Verona, contro il patriarca di Alanson e suoi alleati

1385. — Quei di Torre, Spilimbergo e Valvasone con 200 cavalli assalirono Maniago che resistette e li respinse. Ritirandosi, incendiarono Maniago libero: e la notte seguente per il Rivo della Colvara e per vie remote del Colle Grisolo ritornati sotto il castello di Maniago vi diressero 184 colpi di bombarde col grido: *queste xe le nostre naranze*, a cui gli asse-

È a notarsi la somma che il Conte d'Ortenburg aveva d'immischiarsi nelle cose del Friuli, e allora speravasi che il Papa Gregorio XII sostituisse nel seggio Patriarcale il Duca di Theck. I Cividalesi formarono una lega duratura 5 anni fra Cividale, Tolmezzo, Gemona, Venzone, i nobili di Spilimbergo, di Valvasone, Prata, Porcia e Brugnera, Torre ed altri, a cui poi aderirono Maniago e S. Vito. Questa lega si rivolse a Gregorio per avere il Duca di Theck e a Venezia perchè l'appoggiasse. .

Spectabilibus Egregiis et prudentibus viris DD Gastaldioni, Provisoribus, Consilio et Communi Civitatis Austrie amicis nostris percarissimis et honorandis.

Spectabiles et Egregii ac prudentes amici honorandi. Noveritis quod nos Guezellus et Federicus applicueramus Valvasoni cum equitibus XL et nos duo ac nobiles de Valvasone deliberato-
-ne inter nos hic facta advisavimus Nobiles de Spegnimbergo quod huc venire vellent
cum quotquot equitibus possent, pedites que eorum secum conducere quia decreveramus facere unam cavalcatam equestrem et pedestrem ad Portumgruarium.
Et interim supervenientes heri hic applicuerunt illi Theotonici qui erant deputa-
-ti ad custodiam S. Viti offerentes se nobis quod si vellemus aliquam facere caval-
-catam erant parati venire nobiscum, quibus respondimus quod expectabamus
responsum prefatorum de Spegnimbergo, asserentes illis quod volebamus facere unam
cavalcatam sed non revelantes eis quo ipsam facere vellemus. Tunc vero circa XX
horam heri vidimus fieri signum cum fumo super turri S. Viti, propter quod signum
presumpsimus quod inimici ibidem tedium aliquod intulissent, quare rogavimus dictos
Theotonicos ut ad eorum custodiam S. Viti [redirent et] starent attenti quia recepto habito dicto respon-
-so avisaremus de dicta cavalcata. Ipsi vero nobis responderunt quod illuc nolebant
redire, dicentes quod die lune proxime futura firma eorum erat ex[illegible] et quod
non habebant solidum unum ad expendendum, conquerentes se de D. Marscalco quod
promisisset per litteras pluries eis mittere illuc (illis?) pecunias et non misit. Et Con-
-rado Boiano, quod ipse D. Conradus esset in S. Vito promisisset eis quod [illegible]
-bilite [illegible] quod pecunie illis mitterentur, de quo eis nihil [illegible] erat attentum. Nos
vero illos rogavimus ut duos vel quatuor mitterent ad dictum D. Marscalcum
vel ad Civitatem Austrie pro dictis pecuniis, quod ipsi nullatenus facere voluerunt.
Et recedentes ab hinc dixerunt nobis quod iter eorum dirigere intendebant versus
Montemfalconum et quod si D. Marscalcus eis daret pecunias redirent ad S. Vitum
alias vero irent ad fa[illegible] eorum facta, ita quod relinquerent pre[illegible]

S. Vito maxime desolatus. Verum est quod Raukher cum duobus aliis nobilibus libenter remanere dicebat, ceteri non voluerunt. Et ideo vos precamur ut comparere velitis et placeat instare cum prefato d. [illegible] quo quantocius fieri potest remittat ad dictum S. Vitum aut predictos aut alios tot qui sufficientes sint ad tuitionem eius. Insuper etiam vos excitamus ut Conestabilem [illegible] qui ad vos venit expedire velitis et remittere ad dictum S. Vitum quantocius vos potestis. Et si forte illi centum equites D. Comitis quos Egidius cavalerius [illegible] nobis pridie asseruit in brevi venturos esse applicuerint, precamur ut [illegible] ex illis mittere [illegible] aliquos ad dictum S. Vitum quantocius vos potestis. Preterea dictus Raukher nobis dixit quod magna murmuratio fiebat in S. Vito et quod ipsius murmurationis causa tota erat Nicolaus notarius q. Ermannacii, Stephanus Barbitonsor et Drinza balistifex, dicens nobis quod his tribus remotis dictum S. Vitum multo meliori custodia teneretur. Et ideo vos hortamur ut super hoc providere velitis prout vobis melius videbitur. Si qua nova vos habetis, vos velitis nobis significare. Scientes quod ille gentes inimicorum heri [illegible] per Quardemarum se ad Portumgruarium contulerunt heri conducentes secum circa capita [illegible] animalium.

3 Marzo 1444 Franciscus de Brognolesc̄his [illegible] [illegible] Spilimbergo, annorum 60 super secundo capitulo interrogatus respondit quod ipse testis recordatur de annis quinquaginta. quo tempore et pater suus erat Potestas et quod ab illo tempore usque ad primum regimen prefati Dni Jacobi Trevisano tunc locumtenentis in Patria. Potestates consueverunt cognoscere in causis civilibus quibuscumque etiam inter nobiles consortes. et alios quoscumque in Spilimbergo et quod in criminalibus causis quando aliquis querelabatur veniebat ad Potestatem. et iudicium suum. Tamen ipse Potestas qui tunc erat cum iudicio [illegible] dicebat talem cognitionem spectare ad nobiles consortes et remittebat querelantem et [illegible] ad prefatos nob. consortes qui procedebant in causa. tamen vocato apud se Potestate et aliis hominibus consilii Spilimbergi et talem causam criminalem et corporalem expediebant [illegible] et debito fine. Interrogatus quis cognoscebat in causis mixtis respondit ignorare que sint cause mixte. et dixit interrogatus [illegible] Potestates Spilimbergi non habuerant carcerem sed tantum nobiles consortes ipsi qui soliti sunt quemcumque malefactorem et criminosum facere capi et carcerari tamen quando aliquem torqueri faciebant, vocari ad se faciebant Potestatem. et aliquos ex consiliariis Spilimbergi et quod vidit fieri sententias criminales et corporales per duos homines rurales plebis [illegible]. et [illegible] sedentes ad bancum maleficiorum non [illegible] nobilibus consortibus [illegible] Potestate cum iuratis Spilimbergi. Interrogatus [illegible] ipsi rurales debebant ferre tales sententias. respondit nescire. quia tunc ipsi ferebant sententias ipsas tamen [illegible] mittebant pro ipsis ruralibus [illegible] talia facerent et postmodum latis sententiis per ipsos iudices rurales prefati nobiles consignabant malefactorem in manibus suorum famulorum et faciebant mitti sententiam in executionem [illegible] non recordatur quod ipsi nobiles consortes tulerunt aliquas sententias criminales usque ad regimen prefati [illegible] Jacobi Trevisano sed post ab illo citra soliti sunt ferre huiusmodi sententias prefati nobiles consortes. . . . . . . .

[illegible] quarto capitulo interrogatus respondit quod ipsi nobiles consortes tempore

de quo supra deposuit fecerunt [illegible] et supra [illegible].
Interrogatus quis dicitur merus executor. respondit illo qui [illegible] sententiam

tinuisset dominium Patriæ et hoc tempore de quo in [illegible] erat [illegible]
et quod ipse [illegible] unquam in [illegible] se impedivit. Interrogatus quis illos
iudicavit respondit quod praedicti homines [illegible] ex plebe [illegible] et sancti Georgii
iudicaverunt vigore determinationis et cognitionis [illegible] Spilinbergi, in [illegible]
[illegible] non se ingerebant [illegible] homines ad dictum consilium.

rogatus si nobiles consortes voluissent quod tales fecissent ipsi domini iudices ma-

Et [illegible]

[illegible] inter [illegible] Dominus Edvardus cum una ronca, et veniens contra dictum quondam Mag. Johannem ipsum vulneravit per umbilicum letaliter. Qui Mag: Johannes cecidit in terram et iterum praenominatus Edvardus admenavit dicto Mag: Johanni, et subito dictus Mag: Johannes se erexit. Et ecce supervenit Augustinus filius Domini Thomasii armatus cum una Parmesana et admenavit plures de remasons dicto q.m Mag. Johanni, [illegible] Augustinus vulneravit dictum Mag. Johannem letaliter in puncta spatulae cum [illegible] Cor. Fuit etiam dictus Mag. Johannes vulneratus uno vulnere letali super pulsu manus sinistrae et duobus aliis vulneribus non mortalis, uno super manu dextera, alio super [illegible] cum incisione a dictis Dominus [illegible] et Augustino, [illegible] testimonium [illegible].

Et quam primum magna pars populi terrae Spilimbergi posuit se in armis, et caeperunt omnes versus Castrum pro [illegible] dicti Castri, [illegible] multi jam ingressi erant [illegible] et caeperunt [illegible] circa portam. [illegible] cum [illegible] [illegible] projecere aliquos [illegible] quos erant in [illegible] [illegible] quondam Mag. [illegible]. Nam [illegible] dictus Petrus percussus cum uno [illegible] caput a dicto Domino, [illegible] omnes caeperunt [illegible]. Multi tamen [illegible] domus Ser Concordii et Fratrum, quam Mag: Johan

[illegible], quos [illegible] fuit [illegible], [illegible] se in domo [illegible] [illegible]tum [illegible] per spatium [illegible] unius horae vitam finivit. Et [illegible] multi fuerunt reducti in dicta domo per scalas a dictis Fratribus. Tan[dem] venerunt aliqui per [illegible] Castri, qui exportaverunt [illegible] mortuum in uno Linteamine, et posuerunt illud in Ecclesia S. [illegible]. [illegible] [illegible] armatus, Bernardinus Leonardi Molendinarii voluit interfi[c]ere [illegible] filium Domini [illegible]. Contra etiam [illegible] [illegible] Domini [illegible] impetum [illegible] insultum fecerunt et nisi aufugisset, omnino interficeba[t]ur. [illegible] [illegible] [illegible] Castrum [illegible] [illegible]. Similiter Johannes [illegible] [illegible] [illegible] una cum dicto Domino Dionysio hortabatur Populum Spilimbergi ut vellent ire Venetias et petere unum [illegible] testatem.

Eadem die [illegible] hora [illegible] [illegible] [illegible] pulsare [illegible] Hospitalis ac [illegible], [illegible] totus [illegible] populus posuit se in armis [illegible] Spectabilis Dominus [illegible]carius Magnificae [illegible] esset in Castro et misisset ad hunc Dominum fecit eos recedere; nam habebant animum de[b]ellandi Castrum, et illa nocte quam plures iverunt circa Terram et Castrum faciendo custodiam nequis aufugeret de Castro. Attamen circa hora quarta noctis recesserunt omnes [illegible]. Videlicet Dominus [illegible], Franciscus Piccininus, Hercules ejus filius, Nicolaus ejus Nepos, Jacobus et [illegible] [illegible] Domini [illegible], [illegible] de [illegible] [illegible] [illegible] Villa [illegible], quo[illegible] [illegible] [illegible] Bartholomei [illegible] et

securitate castri [illegible] ella [illegible] sciacum cum praenominato Ser Galvano; nocte vero sequenti aliqui videlicet Ser Adoardus et Augustinus venerunt ad Portum Naonis; caeteri petierunt Sacilum, et alii qui remanserunt Maniaci.

Sequenti die quae fuit 19 Maii in crepusculo [illegible] ceperunt [illegible] martellum ad quem sonum omnes posuerunt se in armis, et circumdederunt castrum [illegible] verbis opprobriosis [illegible] Et quam primum supervenit Vicemarescalchus Magnifici Locumtenentis cum Caballariis, et ducentes peditibus de Cisterna, Flaibano, Bonzicho, Ignano, Vidulis etc. et venerunt isti non solum pro capiendis delinquentibus, verum etiam pro tutela et defensione castri et personarum.

Post quod suprascripti applicuerunt Spilimbergum multi ex populo Spilimbergi armata manu, pecato et [illegible] animo [illegible] insultum [illegible] contra Domum Domini Francisci quondam Domini Antonii, ubi fregerunt omnes fenestras vitreas, et ligneas, et nisi Vice marescalchus cum dicta comitiva obviasset, omnino illi de Spilimbergo [illegible] et [illegible] bant illam [illegible] Similiter etiam [illegible] contra domum Domini Francisci Pucinis

His peractis Vice marescalchus venit in castrum cum tribus vel quatuor Caballariis, et quam primum clausit in [illegible] Domini [illegible] arma. Deinde dictus Vicemarescalchus fecit [illegible] etis Dominis, qui erant in castro, ut vellent se reduce

e in Stupha domus dicti Domini Thomasii, donec dicti
Caballarii quaererent, si in Castro erant illi qui commise-
runt homicidium, et cum ibi perquisito ad contrata-
tionem et, non invenierint aliquem ex delinquentibus, vi-
dentes dicti Caballarii, quod [illegible] erat armatus
in Platea ante Castrum [illegible] [illegible] contra

Consortes die 11 Maij 1482 hora 19 et fuerunt hi, videlicet

21. Maij 1482. Similiter fere omnes Nobiles Patriae [illegible] li, et quasi tota patria mota est propter incarcerationem praedictorum, et omnes venerunt Spilimbergum, et steterunt ibi per [illegible] Locum [illegible]. In quo triduo Magnificus Dominus Locumtenens formavit [illegible] die 23 Maii 1482 [illegible] Magnificus Dominus Locumtenens [illegible] in dicto castro ubi [illegible] honestis admonitionibus dictis Dominis [illegible] Domino Aloysio [illegible] Domini Antonii, quos fecit per Mareschalchum conduci Utinum in carceribus die 24 Maij. Cum quibus fuit Octavianus filius Domini Thomasii, et hoc ad solicitandam [illegible] retentorum, qui fuerunt positi in durioribus carceribus, videlicet in turre castri Utini. Post aliquos dies venit Utinum etiam Dominus Thomas pro solicitanda expeditione dictorum retentorum, [illegible] nunquam discessit, donec praedicti [illegible] relaxati [illegible] de carceribus [illegible] Dominus [illegible] Comitissius stetit Utini per mensem et plus continuo [illegible] contra dictos [illegible] ad hoc ut decapitarentur. Iterum Guidonus frater dicti quondam Magistri Johannis ivit Venetias, et conduxit secum uxorem dicti quondam Mag. Johannis, cum quibus etiam iverunt Andreas Tarinti et Marcus quondam Bertuli de Losa, [illegible] ad Illustrissimum [illegible] Dominium [illegible]

contra Consortes narraverunt, dicentes, quod dictus quond:
Ser Johannes nonnisi male erat interpretatus, unde mira
biliter animos universitatum inquinant, instoerantque ut
serenissimum Dominium vellet quidquam scribere. Decrevi
super praemissis habere aliquam informationem, et vocato
Domino Comite Guidone de Purliliis qui ibidem aderat in
Dominium, nisi se habet aliquam notitiam super commis
sso commisso in personam dicti Mag: Johannis. Cum D
mino Guido eo quia fuerat Spilimbergi, cum Magnificus
Locumtenens erat, in Spilimbergo, et viderat eum a quae ne
rat magnificentia sua, omnia secreta les retulit nostro illustrissi
mo Domino et audita serie facti aliquantulum mitigavit a
nimos accensos contra dictos Consortes. Fuerunt itaque licen
tiati praedicti omnes de Spilimbergo tutumque is podesta
praefensi Domini Locumtenens jus et potestatem ministrans
Circa tres dies post, incarcerationem praedictorum Domina
Leonarda Mater dicti contulit se Utinum, pro ordinan
dis et administrandis rebus quotidie occurentibus dictis in
carceratis, cum qua iverunt Octavianus filius Domini
Thomae et Ser Eugenius de Spilimbergo, qui Ser Eugenius
stetit per multos dies in Utino pro expeditione dictorum
duorum retentorum. Et cum Magnificus Dominus
Locumtenens teneret eos ut ad huc, ut praemissum
est, in inferioribus carceribus, et nollet eos transmu
tare in aliis carceribus etc. Conventum fuit, quod Octa
vianus filius Domini Thomae se Venetias conferret
coram Magnificis Advocatoribus pro exponendo grava
mine dictorum retentorum ita stricte consideratis,

quod iis non imminebat periculum vitae; et quam primum post dictum Octavianum applicuerunt Venetias infrascripti de Spilimbergo: Videlicet Leonardus, Molendinarius hospes, pater quondam Mag: Johannis interfecti, Mag: Laurentius Sartor, Mag: Leonardus [illegible], Mag: Johannes Mazarius, Nicolaus de Castro Franco famulus Bernardini quondam Danielis Floriti, [illegible] quondam Bertuli de Tosa, etc., et alii omnes praedicti propterea quod intendebant supplicare Illustrissimo Ducali Dominio nostro, quod vellet, infringere et annullare instrumentum Concordii alias celebrati per Magnificum et Clarissimum Dominum Hieronymum Bartadico dignissimum Locumtenentem Patriae inter ipsos Nobiles Consortes, et subditos suos, et hoc quia dicti Cives et subditi intendebant velle [illegible] omne eorum beneplacitum. Et cum stetissent dicti de Spilimbergo ferre per Mensem in Civitate Venetiarum, [illegible] quod non [illegible] habere [illegible] quotidie laborabant maxima cito [illegible] in Palatio usque ad horam nonam [illegible] fuerunt Spilimbergenses, cum [illegible] Octavianus [illegible] dictos lecessisse se iterum contulit [illegible] pro solicitanda ex[illegible] [illegible]. Accidit [illegible], quod Presbiter Mattaeus Rubens Dalmata Plebanus Spilimbergi inimicissimus dictorum Nobilium, desperatione quadam ductus [illegible] digna [illegible] ne vitam finivit. Ob quod necesse fuit Octavia

num remeare Spilimbergum, ubi cum aliquibus ex Consortibus sua nulla fuit facta electio Plebani, et elegerunt et presentaverunt Veneto Dominio Presbiterum Franciscum de Ciano qui fuit acceptatus et investitus a [illegible] Concordiensis, invitis et renitentibus Domino Dionysio, Albertino, Orlando, et Johanne quondam Domini Henrici.

Rebus sic stantibus, Guidonus frater quondam Mag: Johannis [illegible] Magco et quidam quod eorum cadaver quondam Mag. Johannis et, [illegible] vulnera [illegible] attulissent; nunquam minimum fuit facta mentio [illegible] Cum est, quod et alia vulneribus, ut sequitur. Namque Dominus Magnificus locumtenens pretendebat velle super re illos duos [illegible], Presbiter Dionysius et Johannes quondam Domini Henrici fuerunt unam querelam, quam fuerunt porrigi per Leonardum hospitem, patrem quondam Mag: Johannis, in qua predicti narrabant, quod homicidium commissum in personam Mag: Johannis fuerat perfectum [illegible] ordinatum et deliberato animo factum quamvis in inquisitione appareat, quod esset purum. Praeterea narrabant, quod licet in inquisitione diceretur, quod Mag: Johannes habuisset solummodo quinque vulnera, tamen ipsi illata fuerunt novem vulnera et ultra. Et infinita alia horribilia narrabantur contra omnes istos consortes, videlicet contra omnes de domo Domini Vic[illegible] et fratrum; contra omnes de domo Domini Thomasii et Francisci ejus consobrini; contra Dominum Franciscum [illegible], et filium et Nicolaum ejus Nepotem; contra Dominum Bartholomeum et,

pitiumque etc. Et cum post aliquos dies Magnificus Locum[illegible] dixisset Leonardo Aloysii si volebat prosequi dictam querelam quod producerent testes super ea examinandos, dictus Leonardus fuit usus hujusmodi verbis: "Eo perdone a chi c'sia cason de quela querela". Suo interrogato a Magnifico Domino Locumtenente respondit: "Messer Dionisio e Ser Zuanne de Ser Andrea yo l'hanno fatta; mi non voglio andar drio queste novelle, e voglio solamente che la vostra Magnificentia fazza examinar su li miei Capitoli", etc. Et de omnibus praedictis constat manu Ser Bartholomei Martini Not. de Utino etc. Praedicta Capitula tendebant ad hoc, videlicet quod dictum homicidium fuerat pensatum super quibus multi fuerunt examinati [illegible], qui tamen nihil ad propositum dixerunt. Verum quia dicti incarcerati steterant per duos menses cum dimidio in carceribus, et quotidie Magnificus Dominus Locumtenens stimulabatur a Domino Thomasio et filio pro expeditione dictorum, tandem purgatis quibusdam indiciis per Dominum Aloysium, quae contra ipsum vigebant Magnificus Dominus Locumtenens ad suam diffinitivam sententiam pervenit, que est in hanc formam et hujus tenoris qui sequitur.

Spilimbergo (et fuit hoc vel in die S. Francisci, vel in ejus vigilia) fuit decretum, quod [illegible] mane omnes deberent esse praesentes in dicta domo, et quod res ista non erat amplius differenda; quia semper nocuit differre paratis, et quod nunc erat maxima temporis opportunitas, et tento quod dicti Consortes eras in mane omnes associabunt dictum Dominum Vicarium ad Ecclesiam, ubi et dicto Domino Vicario et [illegible] Consortibus una [illegible] omnibus communis erat, et dictum Dominum Vicarium consilium cum dictis Consortibus ad Castellum mittenum. Fuit igitur sententia haec ab omnibus approbata, et magna pars conjuratorum stetit tota nocte in hac domo, aliqui autem recesserunt, qui tamen summo mane ut statutum fuit omnes convenere. Mag: Leonardus Cancianus fere per totam noctem stetit cum istis in domo, continuo accendens animos istorum plura sibi pollicendo, et quod [illegible] dictum Dominum Vicarium in frusta concidere. Cum igitur advenisset hora, omnibus dictis Co[illegible] dicta domo et armatis circa [illegible] sae fuit impositum Salvatori fratri Mag: Villici, quod deberet venire versus Ecclesiam Sanctae Mariae et explorare cum diligentia si praefatus Dominus Vicarius aderat, et alii Consortes cum eo. Sicque effectum fuit. Salvator praescriptus venit, et invento Domino Vicario [illegible] cum suis praescriptis Consortibus deambulante acceleravit iter ad praescriptos conjuratos, [illegible] nunc animis opus, o Socii, nunc pectore [illegible] moras; Nobis profecto victoria in [illegible] est. # UN DIPLOMA INEDITO E SCONOSCIUTO

### dell'Arciduca Ferdinando d'Austria

Niente toglie al lustro della fiera nobiltà militare del Friuli la quasi assenza di titoli, perchè, se i semplici signori di castelli friulani non sono spesse volte in origine che grandi ministeriali, hanno saputo non di meno fin dai principi acquistare tale importanza guerresca e politica e sì grande indipendenza nel paese ed ebbero tali diritti, che altrove avrebbero finito con l'essere altamente qualificati. Molti non di meno dei nobili friulani, nel passaggio particolarmente dei Sovrani e degli Imperatori conseguirono la comitativa palatina ereditaria, e titoli equestri speciosissimi. Così fu della casa di Spilimbergo, la grandezza della quale però dipende, ben più che dai diplomi, dall'essere stata una vera potenza militare e politica. Ciò non di meno è sempre degno di considerazione e di studio un diploma nobiliare fino a ora sfuggito alle mie scrupolose indagini, ancorchè poco antico, recentemente trovato nell'elegante maniero di Domanins presso il co. ingegnere Gualtiero.

Abbiamo altrove veduto che l'Imperatore Sigismondo concedeva il titolo ereditario della contea palatina al ramo degli Spilimbergo che possiamo chiamare di Domanins; più tardi Carlo V° più amplamente decorava della comitativa stessa tutti i rami della casa di Spilimbergo; (*) ma fra queste due date si intromette il già accennato nuovo documento che prova come un Giacomo di Spilimbergo, signore magnifico e d'alta considerazione, ottenesse titolo di milite e conte dall'Arciduca Ferdinando a nome dell'Austria e dell'Impero, sopra una terra eretta in contea, quantunque, credo, non ne venisse al materiale possesso. Giacomo progenitore degli attuali conti di Spilimbergo detti di Domanins avrebbe loro trasmesso dunque il diritto di farsi riconoscere *Conti dell'Impero,* qualità che potrebbero aggiungere alla nobiltà e al *pfalsgraviato* che hanno in comune con gli altri rami della famiglia. A Giacomo ottenne questo titolo il cav. Francesco de Candidis, suo parente, ed è a notare l'alto significato politico del diploma perchè si tratta della concessione di beni posseduti dai veneti e d'una contea in territorio non arciducale perchè sta scritto Meduna e Miduna ma non Midana o Medana, nel documento, se pur non si ammetta un errore grafico, e si deve osservare che nel maggio 1526, col trattato di Cognac, Francesco I° di Francia s'era unito alla Lega stretta fra Venezia e il Papa, Firenze e lo Sforza, disdicendo il trattato di Madrid. Venezia, dunque, al momento in cui si rilasciava dall'Arciduca il diploma, era in guerra con Carlo V°, ma è d'uopo credere che in quel tempo lo Spilimbergo si ritenesse svincolato dalla Repubblica e potesse collegarsi con l'Impero a cui le tradizioni domestiche della sua casa come di tant'altre, per la ragione etnografica e d'antichi vincoli con l'Austria e la Stiria, dovevano potentemente attirarlo.

Questo titolo sarà poi ereditario? Io crederei di sì per la natura delle cose.

Molto non si sa di questo Giacomo. Egli era figliuolo di Gianfrancesco e di Lucrezia e fu padre di Giambattista che sposò Maddalena de Candidis e dal quale scendono tutti gli Spilimbergo attuali di Domanins procedenti dal colonnello di Sopra uscito dall'antico Venceslao ch'era stato marchese d'Istria ossia governatore. Ebbe Giacomo questione col suo cugino dottore Troilo conte palatino e litigò per l'eredità da questo lasciata ad Alvise e perciò all'altro colonnello della casa di Sopra. Infatti in una cartella dell'Archivio conservato alla Favorita segnata *IV* v'è una risposta di Troilo di Spilimbergo al Luogotenente contro l'accusa fattagli da Giacomo di Spilimbergo che chiedeva che Troilo fosse dichiarato ribelle al governo veneto e incapace di succedere ai beni feudali che gli potessero spettare per morte di suo fratello Girolamo, i quali quindi verrebbero a lui Giacomo. Troilo si dichiara alieno da tali cose perchè ha timor di Dio e del dominio veneto. Quando gli alemanni occuparono la Patria egli aveva visti più castellani anche di Spilimbergo che andarono al campo tedesco con gran fiducia e baldanza come se fossero sudditi dell'Impero. Se egli stesso era fuggito nel territorio cesareo l'aveva fatto temendo le discordie della terra di Spilimbergo dove molti patirono saccheggio e

(*) A scapito della proporzione metto qui alcune espressioni del diploma imperiale, Bologna 29 gennaio 1533, fatto a favore di Alvise di Edoardo ed eredi (orig. Arch. Favorita) per la comitativa palatina, inedito

« *et in transitu aedes tuas nobis pro hospitio eligentes commode in oppido Spilimbergi Patriae Fori Julii per triduum fuissemus suscepti viderimusque et praesentialiter experti simus qua fide observantia et devotione nobis te praestiteris et quam largus et munificus in his quae tibi suppeditabantur omni momento apparueris* »

rovina di case e perchè a viverci quieti occorrevano fantaccini armati a salario ch' egli non poteva mantenere e perchè rimanendo in Friuli temeva gli odi d'altri consorti fra i quali Giacomo che or lo chiama ribelle, ora prodigo ed ora fatuo. Nell'archivio di mio cognato, il co. Guido di Spilimbergo, esiste il testamento di Troilo che fu impugnato, ed è all'archivio della Favorita un brano di processo legato ad altro moderno, dove si enumerano tutte le stranezze che s'imputavano a Troilo, che è dipinto come un megalomane per dimostrarlo privo di senno e della capacità di testare. (Proc. su beni di Tainajo 1725)

Nel castello di Spilimbergo, come ricorda anche il Maniago nella *Storia delle belle arti friulane*, sono ritratti in due medaglioni finissimi di stucco Giacomo e sua moglie Aloisia che meriterebbero d'essere riprodotti fotograficamente

Solo il passo di barca fra dei consorti ma gratuito per gli uomini di Valvason. I Dazi soliti affittarsi dai consorti lor rimangano e così i feudi e così i livelli pagati dagli uomini. A Item faccio fede, che il qu. Magn. m. Troilo era de detti Sign. Consorti della Casa di sopra, & come Consorte aveva Jurisdizione in detto Castello di Trusso, & suo Territorio, cioè esso, & il predetto Cavallier Zuan Francesco per una voce, il Magn. m. Odoardo per l' altra; Et il Magnif. Cavallier Beruardin per l'altra così ancora li Magnif. Consorti della Casa di sotto esercitano la Jurisdizione de mero, & misto imperio nel Castel de Solumbergo, & sue Ville, & hanno tre voci.

B Item. Se le fa Fede che detto Magnif. Consortio de Spilimbergo, così della Casa di sopra, come della Casa di sotto ha Jurisdizion de mero, & misto imperio nel Castel de Spilimbergo, & sue Ville, & nel loco di Zucola dove gia era il Castello con le sue Ville.

Item

C Item faccio Fede, che detti Sig. Rettori, che per tempo son in la Terra, & in le Ville a quel Signore che ha la Jurisdizione.

D Item faccio Fede che detti Sig. Consorti intrano per ordinario ogn' Anno due Rettori, uno della Casa di sopra, & uno della Casa di sotto, li quali sono Cognitori come è detto di sopra in Appellazione, in Criminal minore delle Sentenzie fatte per il Gastaldo, e nel Civile delle Sentenzie che si fanno per il Podestà, & Zuradi della Terra de Spilimbergo, quali Podestà, e Zuradi ogn' Anno da essi Sign. sono creàti. In le Ville veramente sotto la Jurisdizione de Zuccola di detti Rettori judicano in Civil, & Criminal minore. Ma in li Criminali maggiori tutto il Consortio Giudica, & le Sentenzie poi le publicano in nome delli predetti due Rettori nomine suo, & rectorum Consortium.

E Item si fà Fede, che questi Magn. Sig. Consorti per lo esercizio della Jurisdizione de mero, & misto impero hanno diviso le Ville da Spilimbergo quelli della Casa di sopra, come m. Odoardo ha Taurean, Baseglia, & Gia, m. Zuan Francesco, & il q. m. Troilo Omanins, Rauset, & Vivaro, m. Bernardin Kav. Dignan Bonzico, & Quaderno, li quali tra judicano le sue Ville in Civil, & in Appellazione in Criminal minor, & quando occorre, caso de Criminal maggior tutto il Con-

sorzio

ſorzio de l' una, & l' altra Caſa giudica publicandoli però le Sentenzie ſotto nome delli due Rettori nomine ſuo, quam cæterorum Magn. Hi cum fuissent transacti plerique ex eis rogaverunt egregium ser Jo. [illegible] [illegible] et civem Spilimbergi ut que pertractanda forent exponeret atque proposuissent proponeret qui [illegible] [illegible] precatusque apud Illmũ Dominum Nostrum feli[cita]tem et gloriam eius, populo bono, eisdem cum Magnificis Dominis Consortibus pacem et tranquillitatem. Poiche pure vi piace di dar a me questo carico et cotanto instarne a benchè acciò io mi conosca esser meno atto di molti di questa spettabile Comunità, nondimeno io vi obidirò, et per [illegible] publico di tutti insieme brevemente proponerò quanto io farei di quei ho inteso da esser di universal desiderio de tutti voi. Si han da far li tre spettabili sindici in essecutione di litere dell' Illmũ Consiglio di X^e con la Zonta con l'autorità in esse litere contenuta, ma prima che a questo si venga io insieme con molti di voi giudico esser ben fatto che si constituisca loro un salario conveniente. Però a molti di voi ha parato et par ancora a me, che il salario di ciascun di essi sia de L. 2 a giornata per quanti giorni staranno [illegible] per cause publica, et ciò essi per sua mercede et [illegible] et desconciamento delle proprie facende, come per spese di [illegible] spese di cavali, barche et ogni altra spesa che faranno per andar, et [illegible], et che delle giornate [illegible] giuramento loro da esser dato per tre insieme [illegible] da esser deputadi da essi XII over maggior parte di essi [illegible], al numero di 9 almeno, et appresso che si stia al giuramento loro da [illegible]

di sopra detto di quanto diranno d'haver speso in far notar atti, cavar [illegible], dar a giudici et avvocati, parendo a ciascuno [illegible], che a cui si fida la libertà che è più cara che la vita, si possa et debba si[milmente] [illegible] et possa ciascuna man di si dici tutti insieme da se [o da sé?] [illegible] donare over far presenti a libera loro volontà per beneficio publico fino a [illegible] et poi nel far delli conti siano tenuti detti Sindici o a jurare d'haver tanto speso [illegible] far presenti per cause publ[iche] et sia loro creduto senza altra chiarezza et senza nominare la persona ovvero per [illegible] [illegible] over donate, et siano fatti creditori di quanto haveranno jurato fino a detta Summa. Li quali [illegible] debbano l'anno prossimo venturo fra li di 25 Zenaro et il primo Febraro haver reso conto di [illegible] saranno debitori o creditori di questa spettabile Università per le sopra dette cause [illegible] overo a tre da esser come sopra si è detto deputati, a quali tre sia dato il giuramento di [illegible] detto conto, et [illegible] referire il tutto a bocca et in scritto a essi XII da esser congregati almeno al [numer]o di 8, li quali [illegible] sindici, et ciascun di essi debitor over creditor o [illegible] liberi del maneggio di quel anno [illegible] notaro publico, il che se detti sindici overo alcun di loro non farà fra detto termine [illegible] et esser [illegible] una marca alla spett. comunità da esser scossa per l'[illegible] a la medesima pena, et questa oltra le altre pene che [illegible] a detti Sindici contumaci per la Podestà et giurati overo [illegible] detto congregati, con questo che [illegible] intendino incorsi [illegible] pena di una marca, se i mostrerano per scrittura publica di [illegible] a [illegible] di detti XII. Qual [illegible] per far li conti a loro piacere le sopra dette [illegible] non solum nelli spettabili sindici [illegible] si hanno a fare, ma ancora nelli futuri. — Quelli [illegible] di voi che sono contenti che così [illegible] come di sopra è detto in tutto et per tutto si [illegible] et vadino coli a man dritta, quelli a [illegible] stiano fermi nel loco dove sono.

[illegible] dixisset [illegible] in locum primum [(2)] idem ser Jo. Maria ad hunc modum locutus est [illegible] spese per le presenti occorentie et per le future ancora, è anco necessario crear li Rationator che habbino a [illegible] [illegible] poiché intendo piacere.

che siano VIIII, lo con molti di voi giudico che ben sia dar questo carico a ser Fiorio, ser Io: Iacomo Locatello, ser Hieronimo Averoldo, ser Zuan di Bortolamio, ser Iacomo [illegible], ser Zeffan [illegible], ser [illegible] [illegible] Benedetto [illegible] et ser [illegible] [illegible] [illegible] a dar la sua rata giustamente et quando per questo potranno a [illegible] [illegible] [illegible] dell'Universita et congregatione della [illegible] et [illegible] assignata et pagarla prestamente tutte volte che sara delli XII con li ss. Sindici [illegible] overo per la maggior part di essi congregati al [illegible] al meno di XI overo per li [illegible] [illegible] [illegible] tra' Venetiani come per ss. Sindici per l'avenire et adesso per questa spettabile Congregatione imposta una o più tanse over altre [illegible] alcun [illegible] over appellation alle qual s'intenda esser di ciascuno renunciato, et [illegible] [illegible] non Rotandori li quali si habbino a fare di doi anni in doi anni sotto pena a chi [illegible] [illegible] de essergli irremissibilmente tolta del [illegible] sotto l'istessa pena salvo se non [illegible] exemptione che per auttorita di questa sp. Università [illegible] [illegible] sarà presente, se sarà absente delli XII insieme con li Sindici et Exattore overo Cassiero overo [illegible] di [illegible] over per la maggior parte di essi congregati al [illegible] di XI [illegible] [illegible] [illegible] et debbano far una o più in loco di quelli [illegible] [illegible] di sopra per essequtori i quali s'intendino esser fatti con quelli medesimi modi, autorità, pene et conditioni come se fatti per questa spettabil congregatione siando insieme d'esso XII il [illegible] [illegible] del ss. Sindico altrimenti [illegible] [illegible] [illegible] Exattore de comun possa et debba [illegible] la mità delle pene et condannationi spettanti a [illegible] [illegible] [illegible] come nel Statuto si contien però chi è contento di [illegible] [illegible] [illegible] di sopra [illegible] [illegible], chi non è contento stia al luoco suo, his dictis [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] et [illegible] [illegible] hanc oppinionem affirmantes sicut publicatum est in prein ipso capitulo.

[illegible] [illegible] [illegible] [illegible] che per necessità si dia fuora una che riscuota dette [illegible] et altri danari a [illegible] [illegible] [illegible] [illegible] a questa sp. Communità et quelli appresso di se tenga in bona custodia et dia alli Sindici et altri secondo il bisogno con tenir particular conto del tutto et duri per uno anno con contumatia di anno uno con conditione che l'giuri di far l'officio suo giustamente et nettamente, item che poi il [illegible] [illegible] in tutto et per tutto come di sopra si è detto delli [illegible] con questo che sia obligato a dar a ciascuno delli Sindici quella quantità di danaro che li sarà adimandata facendone far di mano del Sindico una nota in un libro [illegible] [illegible] non sapesse di mano d'un nodaro, overo di man sua del Cassiero con sottoscritione di dui testimonii al qual scritto sia detta fede plena. [illegible] del Cassiero et fatta fede della mano del Nodaro et delli doi sottoscritti et perchè sento che bona parte di voi vorebbe [illegible] per lo presente anno a ser Simon de [illegible], però chi vole che detto sia Cassiero di questo anno con tutte le conditioni et modi sopras [illegible] [illegible] la man dritta, chi non vole stia al luoco suo. His peractis statim omnes se ad dexteram contulerunt confirmantes ut supra [illegible] Mox idem Attavus pergens ita dixit. Appresso io sono della opinione universale di questa congregatione che sia cosa bona et necessaria [illegible] [illegible] [illegible] [illegible] con le quali insieme con lo Cassiero [illegible] Sindici possano comunicare [illegible] [illegible], et le quali XII lodano et congregano le sententie del Podestà et giurati così criminali come civili [illegible] [illegible] [illegible] habbino le detta XII con li Sindici et Cassiero quella medesima autorità che ha tutta questa Università in trovar danari per le presenti occorrentie

et per le [illegible] et [illegible] una rata di D 50 [illegible] et due in una volta quante volte a loro pa-
-rà a [illegible] interesse et vaglino li contenti per loro in ciò fatti come se fussero fatti da tutta l'u-

il tior di denari a interesse a danno et interesse di coloro che richiesti a dar la sua rata non la daranno in
tempo debito et creati che [illegible] le raggioni della terra giustamente con
ogni suo sapere et potere con pena di £ 25 a chi rifuterà da esser fussa in tutto et per tutto.
Si è detto delli rottador et con questa conditione se alcuno elletto [illegible] et si escusi sia co-
-nosciuta questa escusatione et aprobata over reprobata da questa Sp. Università se veramente fosse absente [illegible]
XI [illegible] autorità che havevate essa università ridutti però
al [illegible] almeno di XI, et possino in loco del escusato crearne un altro con quella medesima aut[orità]

Magnifici Signori Consorti. Aben che mi doverebbe bastar haver detto all'officiale che mi citto ad esser examinato sopra a morte di M. [illegible]
Bologna [illegible] pare ancora per questo esser impeguato et in molti mandati [illegible]
vessato, mi è parso per questo fare noto l'animo mio et a le S. S. Vostre et a chi haverà posto de iudicar sopra ciò [illegible]
non obedire alli giusti mandati delli superiori, ma in questo caso se io havesse obedito mi sarebbe stato di gran preiudicio et di pericolo
d'incorrere [illegible]
[illegible] detto [illegible] stato essaminato in quella medesima
causa per un altro officio cioè del Sp. Podestà et giurati di Spilimbergo onde io non detto ebbe effetto a deponer, ma
per la varietà che potrebbe nascer non de [illegible] del dittare delli essamini de li quali [illegible]
lo detto del testimonio pol esprimer alcuna cosa alquanto diversamente da quello che del testimonio [illegible]
[illegible] mi dicessi tu potessi comparere et quando fossi dimandato di qual caso rispondete al tuo detto io ri-
spondevi che questa cautela io ho doppo apparata dalli avocati che all'hora non sapeva [illegible]
che mi reteniva che è il pericolo d'incorrer in periurio perchè sapeva io che la Sp. Comunità di questa terra pretende esser lei
medesima [illegible] Podestà et giurati judice di questo et [illegible] et ho giurato come uno di consiglio
dei XII di osservar li statuti che ci dan questa autorità et le raggioni della comunità, per queste raggioni non [illegible]
[illegible] nè disobediente, però con instantia prego le Vostre Signorie a [illegible]
[illegible] et [illegible] per questa causa altramente io haverò ricorso al Clarissimo Logotenente.

Nella Terra di Spilimbergo nel tempo che hora siamo il maggior pericolo di prendere la peste, che non è a Cividale ma più vicino al Canal di Ronzina perchè li Sig.ri Consorti di Spilimbergo non fanno alcuna buona provisione [illegible] questi Signori hanno non solamente parenti et amici in Gorizia ma appresso li confini ancora hanno d'essi poderi, case [illegible], Trieste et altri luoghi, onde facilmente per i loro interessi possono andar nelli luoghi sospetti et anco ricever loro ricettar alcuni di quelli, a danno non solo della terra di Spilimbergo, che para ammorbarsi, ma di tutte frontiere. Doppo che [illegible] sospetti di peste uno gentildonna di Gradisca è stata vista in Spilimbergo uscir di casa del [illegible] Sig. Alfonso et andar alla Santa messa et tutti [illegible] guardie delle porte di detta terra non l'hanno vista entrare, onde bisogna che di notte, contra la proclama [illegible]

Alfonso — Questi Signori non hanno fatto far alla porta del [illegible], portello [illegible]

Che può esser intorno a passa vinti di longhezza difetto causatto dai muratori [illegible] tramontana insieme, altri passa trecentasette che in prima vista mostra esser diffettivo per esser verso il fosso non più alto de piedi sette e mezzo con altri passa sette alto piedi quattro, sebene, et l'uno et l'altro verso la parte di dentro, è alto piedi tre-deci fino a sedeci il quale però merita qualche riparo così di dentro dove resta sgarzatto, come di fuori alzatto per ornamento al paro dell'altro, le case de particolari formano muraglie in lunghezza de passa vinti doi con altri passi sedeci dove cascò un pezzo de muraglia che per il precipitio non si po-teva più remetterla in quel sitto fu retiratta dentro doi passi, et accresciuta con altri muri particolari che la rende più forte et fiancheggiatta insieme, l'istesso è acadutto ad una toricella rovinatta già molti anni per esser mancato a quella il fondamento del terreno, resta però serratto quel varco in buona forma et assicuratta la Ripa con grosso muro fatto nel mezzo d'essa con speranza di qualche riparo.

[illegible] V. S. Illma. [illegible]

[illegible]

Il rimanente di queste mura che forma il Castello per longhezza de passi cento uno che tutto risponde a passi novecento settanta doi di circonferenza, et sebene la positura di detto recinto per l'inegualità del sito posto sopra un eminente rippa non risponde alla vista per esser alquanto [illegible] d'ogni intorno, tuttavia si rendono esse difficili per diruppi che quando anco fosse senza mura non si doverà temere che Spilimbergo non resti assicurato da ogni travaglio, il che è quanto posso rappresentare a V. S. Illma rimettendomi sempre al parere dell'Eccmo Sigr Vicario che ha veduto sul fatto quanto è stato necessario et nell'intorno etc.

Illmo Sigr. mio Signore Ossmo

La proposta, che mi fà V.S. con la gentilissima sua degli 11 del corrente mi fù fatta pa=rimente l'anno passato, et ciò, che risposi allora, risponderò tuttavia. Non accetto la carica, perchè mi conosco inabile ad esercitarla. Io non son nato per la Corte; il mio genio è del tutto diverso. Non mi è mai caduto ne l'animo à miei giorni pur un pensiero d'applicarmi a sì fatto esercizio, [illegible] a' qual mal si conviene [illegible] ad altro [illegible] Credami VS che gl'impieghi miei, [illegible] fà [illegible] sì gran [illegible] da sperarsi che io m'accommodassi à volerla com=[illegible] [illegible] del tutto [illegible] ad apprendere [illegible] che non s'hanno. E pure senza quest'arte mal si può vivere fra Cortegiani, à quali haverò più tosto compatimento che invidia. Ben riverisco con ogni divozione maggiore [illegible] generoso, e degno di sì gran sangue, moderato nella [illegible] che la rende in tutte le sue azioni mirabilmente compi[illegible]. [illegible] così [illegible]; ma vieda, che io mi tiraessi attitudine per farlo. Lo servirò forse in qualche maniera con la penna; ma con una penna libera, et direi come quella del Sig. Birago, se non fosse [illegible] paragone fra [illegible] gloriosa et sublime, che ella si è fatta oggetto della speranza, et del timore di tutti [illegible] [illegible] et sarò sempre di V.S.

osservato nella passata visita fattasi da me a Spilimbergo che essi nuovi Giurisdicenti ad altro non mirano che a rendere minorata la stima et authorità di quei Signori quali mal volentieri soffrono le forme di poco rispetto e offesa a quella giurisditione che V. Serenità con tanta distintione ha loro concessa, e tuttavia vede benignamente comprovata. L'interesse di parità tanto importantissimo a tutti viene da essi trascurato con notabilissimo [illegible] non curandosi far la solita [illegible] che con l'esempio di cotesta Serenissima Metropoli, si pratica anco in questa Città da' principalissimi Cavalieri, e pure maggiori e più accurate applicationi si ricercano in Spilimbergo per [illegible] questa grossa Terra che serve d'ordinario di transito a' Viandanti che passano in questa Patria. Proposto tutto ciò a' prudentissimi riflessi dell'EE. VV. perchè continuandosi le maniere fin qui praticate seguiranno infallibili li inconvenienti con displicenza di V. Illmo et Eccmo Sigr Luogotenente.

Gl'infeudati di S. Pietro di Carelle, che sono cinque famiglie che tengono in continue turbolenze questa terra, lasciano alcuna cosa intentata per conseguir quei fini a' quali, non dall'ambitione, che saria il minor de' mali, [illegible] di noi stessi e della medesima Terra. Non bastano a noi tutte le destrezze, con le sofferenze maggiori per procurarne la compositione, che a loro non mancano ritrovi et inventioni di pregiudicarci e di procurarne l'eccidio. In tempo di visita dell'EV. Illma [illegible] arrivorono le lor pretese, mentre invitati ad incontrare e servire chi rappresenta la Maestà del nostro Principe, ricusorono di ciò fare col pretesto, che [illegible] essere Capi, disdicesse alla lor dignità seguitarci, ~~[illegible]~~ o pur [illegible] venar [illegible], ma [illegible] come altre volte [illegible] severamente puniti. nelle presenti gravissime urgenze di rispetto d'imbaggio, commandati questi rigendati ad assister alle Guardie, come pratticano le famiglie più nobili del nostro ordine in Udine con scandolo, mormoratione e pessima essempio, hanno ricusato ciò fare, e pure [illegible] maggiore [illegible], commandata dalla Sig.ria del Tenenza e con sue espressi ordini dell'E.V. che li deputati [illegible] le [illegible] quella Chiesa e stata sempre sotto la Protettione degli stessi come
si vede dagli Capitoli [illegible] da Deputati avanti l'Eccmo Reggimento di Udine, 18 [illegible]
comprender la [illegible] di questi signori dall'Usurpo, che hanno prat-
ticato e tuttavia praticano sopra gli interessi della [illegible]
il Duomo a solo titolo del iuspatronato d'elleggere il
Pievano et li 2 camerari, che hora eleggono pro forma
perchè per altro essi signori [illegible]
danno a' camerarii un squarzo in bianco per l'in-
[illegible] delle rendite, acciò non sappino chi sii il de-
bitore de' Massi, Livelli, et Affitti che sono di grossa
summa, a segno tale, che [illegible] attendino
li crediti nella stessa da 40 ducati, di buona quantità
de' quali sanno debitori li signori Giusdicenti; uno
de' quali ultimamente [illegible], nel di lui testamento
ordinò che certi beni fussero resi alla chiesa e
gli fussero pagati ducati 500 di affitti scorsi; e que-
sto fu il quondam signor Domitio di [illegible]
19 Intanto da gl'aggenti della scuola sono stati fatti
poner il giorno doppo S. Antonio le tavelle per il supli-
mento del pavimento in [illegible] venir rubba-
ti gl'altri Madoni; come fa la canaglia nel fonte di pietra
sopra le feste della porta del Borgo [illegible] che levano
di notte tempo, li madoni del volto già rovinato.
20. Questi signori Giusdicenti e massime il signor Francesco
quondam Alvise s'ha dichiarato con suoi confi-
denti, che voglino strussiare li signori Deputati

[illegible] non sono in Venetia con litiggi; dichiarandosi
che vagliono loro giusdicenti spendere voscancati per
casa, e pure sono note cose; dunque hanno per le
mani causa spallata; perchè vogliono porre tutti
gl'eccellentissimi magistrati e colleggi a sì grande di-
chiaratione (occorrendo) potrà riletarsi, perchè con
braccio alla giustitia a forza d'essami; perchè per
altro non direbbero ... – 21 – risposta a tutte
dell'eccellentissimo magistrato sopra feudi di talena
d'aggiungere la 2 colonne di mezzo della loggetta
essendo puntilata con due punte di legno, perchè quando
fu edificata nel mese di maggio, queste due collonne non
erano ridotte a perfettione. – 22 – Si risponde di
più all'asserta addimandata di ~~beuna~~ per l'edifi-
catione della chiesa, che quando non si seguita in
ordine a cose giudicate, sarà falsa; poichè li signori can-
cellieri annotano a favore de' giusdicenti quanto gli
viene commandato, et non danno copie, ne scritture
della cancelleria [illegible] della terra, perchè gli vien
chi commandato da sua eccellenza con mandà-
ti penali, senza la licenza dei [illegible], come si pro-
va di presente

si pongono nelle sedi del coro dietro l'istesso altare
a' piedi de quali giusdicenti devono stare in terra
li poveri capelani all'aficiature delle messe et

tendono prepotentemente che 'l sacerdote dia

Dico commandar perchè per altro li cittadini, e popolari atteriti dagli esempi passati mai haveranno ardimento a eleggerli, un'altra volta essendo miracolo di Dio che siano stati creati l'aprile passato.

Capitoli contra il piovano di Spilimbergo. Sec. XVII. Che mentre dal ill.mo et R.mo Patriarca de Aquileggia fussi stato escommunicato per essersi appellato al tribunale et foro secullare in una lite che vertiva tra doi sacerdoti, il piovano di Spil.o non restò mai di cellebrar la sua messa nella chiesa parrochiale de Spilimb.

Che senza ordene alcuno ne licentia dell' ill.mo legato apostolico ne meno del R.mo Vicario di Concordia ma di propria auttorità della ordinamento di pubblica-re nella terra di Sp.o uno giubileo solennemente dispensando alcune cosette di panno vendendo per soldi [illegible]. Che de quelle [illegible] ne cavò ducati trenta et più ritenendoli in se et essendo uscito nova che Sua Santità haveva sotto pena di escommunica [illegible] quelle indulgenze essendo stato richiesto alla restitutione de quelli mai non ha curato di restituirli anzi allegava che de capo del giubileo sarebbe stato confermato. Che non ostante le sudette cose ancora di presente nella chiesa parochiale man-te lo altare, la dove haveva posto le statione vi è la cassellette, dove si soleva ponere il danaro delle elemosine. Che sotto spetie di voler fabricare parte della chiesa di S. Rocco et anco una ancometta fori similmente della terra de Spilimbergo commovendosi per sua devotione diverse persone sono stati cavati diversi et molti denari gli quali sono stati imborsati dal sudetto piovano o suoi ministri ne mai è stato fatto alcuno nelli sudetti doi luochi. Che sono stati cavati dalla scola di Sant[illegible] Rosario gran quantità di denari per molti anni.

Inig

Che mentre il piovano è stato a Venetia cinque et sei mesi per lite sue particulari et suoi capitoli la terra ha patito assai et quello che è peggio al suo ritorno ha voluto lo integral pagamento del suo hospitale di S. [illegible] de tutti gli anniversarii ancora che da lui non siano state cellebrate le sante messe. Che essendo venuto a parolle essendo piovano con l'Ecc.mo Adriano giudice di Spilimbergo posto giù la veste sacerdotale habbia detto [illegible] con sacerdote [illegible] giù la veste mise mano d[illegible] et se non venivano separati seguiva qualche inconveniente [illegible] Che tutto il tempo della vita sua non ha fatto altro che zappare con questo et con quello ingiuriandogli con parolle [illegible] et [illegible] minacciandogli nella vita et non dicendo la matina cellebrava la santa messa [illegible] restituire l'honore et la

Che in la villa de Provesano la dove ha habitatori havendogli comandato nelli giorni festivi che andassero a arare la terra delli quali essendogli risposto che essendo festa non intendevano di lavorare seguitando li rispondeva se non volete arare andate a zappare.

Che mentre il R.do pre Vicenzo Cinerosi(?) capellano di Spilimbergo fosse venuto in contesa per una opinione erronea et contra santa Madre Chiesa la quale teniva ostinatamente il sudetto piovano essendogli la matina con li testi comu-
